Nationally consistent collection of data on school students with disability – 2014
Our school is again participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

If you do not want your child to be counted in the data collection please contact the school to complete a form and return it to the school before the end of Term 2, 2014.

NRL Rugby League Gala Day—
Last Wednesday (7th May) 14 stage 3 boys and 3 stage 2 boys from WPS participated in the NRL League Legends Gala day at Croome Road Football fields in Albion Park.

The senior boys played 3 games. During the first game, the boys were finding their feet and as a result, went down to Flinders. The second game was a much improved effort with 16 points being scored against Shell Cove and the Windang Warriors’ first win of the day. The final game, against St Peter and Paul of Kiama, continued our success with some hard hits and another 22 points on the board. It was an exciting day with the boys showing great team work skills and a high caliber of sportsmanship.

Cooper H, Dustin R and Max B represented WPS by playing with other schools teams. All 3 boys were outstanding representatives of our school by joining unknown teams, showing their flexibility, teamwork and football skills to all. Congratulations to the boys.

A big thank you to the parents and grandparents who supported and provided transport on the day, it was great to have you all there. A special thank you to Warren Scofield for the support he provided with his coaching skills and a winning formula. 😊
