SUCCESS WITH HONOUR: A GREAT PLACE TO LEARN

**Book Week ‘Connect to Reading’**
Is about enjoying the experience of exploring story, and travelling to other worlds. The reflected slogan, Reading to connect, has a broader social meaning, suggesting that reading assists in creating a bond with others. Within the world of the contemporary child, this is also relevant as they read books and they read to connect through a variety of media. **WPS invites you to join in with this week activities.**

Book Exchange (Week 6)-
This is a great way to share our love of reading and recycle great books. So start bringing suitable books to your teacher. The books should be of reasonable quality (of the standard you would like to get) which you no longer want and would like to swap.
You will receive a maximum of 3 tokens to use to exchange for 3 new books (extra books that are not exchanged will be donated to the Yr. 6 Fete). We particularly need books for students suitable for readers in Year 3-6 but all books are welcome. Picture books are great for all ages.

Dear Parents/Carers
It has come to our notice that Pediculosis (head lice) has become prevalent again. It would be appreciated if all parents would check their child’s head, particularly around the nape of the neck and back of the ears.

- Look for small whitish specks stuck to hair, especially behind ears and on back of neck. These are nits (eggs). Search extra hard if your children are blond, as this makes nits difficult to find.

Anyone can catch head lice where many people work and play together. It is no reflection on the home or family. Head lice usually prefer clean hair and are not fussy who they infect.
