SUCCESS WITH HONOUR: A GREAT PLACE TO LEARN

Public Speaking Community of School Finals
It was such a pleasure to attend the Public Speaking Final at Lake Illawarra High School last Thursday. I was proud as punch to be the teacher representative of Windang Public School and support our fantastic finalists Skye, Tahlee, Chelsea and Anna. All four girls delivered speeches of the highest quality with Skye the Community of Schools winner of the Early Stage 1 category. Windang stood out, not only to me, but to other staff members from local schools who sought me out to commend all four girls on their skills in public speaking.

We most certainly have some future leaders amongst the students of WPS and I can confidently say the future is in very capable hands.

Congratulations girls.

Mrs. Hill

Homework Policy –

It has been brought to the schools attention that some community members have concerns regarding set homework. Please take the time to look over our school policy that has been loaded on the school website and skoolbag app (under parent info).

Homework is a valuable part of schooling. It allows for practicing, extending and consolidating work done in class. While homework is an important component of the teaching and learning process, our school recognises that it is important for students to have time for play, leisure and physical activities outside of school. Parents are requested to supervise their child’s work but homework should not be a source of conflict between parent and child. Any concerns relating to homework should be addressed to the class teacher.

UNIFORM SHOP

OPEN MONDAY AND FRIDAY MORNINGS (*STC)

I'm still looking for people to help out in the uniform shop. If you can spare some time with me on a Monday or with Belinda S on a Friday we can show you the ropes. Unfortunately without more help there will be days when the shop will not be able to open.

*STC-subject to change
