NAIDOC Celebration:
To celebrate NAIDOC Week this year, the whole school will be having an afternoon at Windang Surf Beach on Wednesday the 15th of July. The theme this year for NAIDOC Week is “The strong physical and cultural connection to the land and sea of The Indigenous people”.

The children will be involved in Indigenous games, sandcastle building and listening to Dreamtime Stories; we will not be doing any activities in the water, only on the sand. If you are free on the day we welcome all Family and Community Members to come down and join in the celebrations.

Today students will receive a pre-order BBQ note for the day, please ensure that notes and money are returned by the last day of term.

School Issues:
A reminder that if you have any concerns regarding your child’s schooling or well-being please do not hesitate to come and see Ms. Mac or your child’s teacher. This is encouraged. The sooner we know about something the sooner we can try to resolve it.

It has been brought to my attention that Facebook is being used by a number of parents to discuss school issues.

Although, I support the use of social media to communicate I would like to use this opportunity to point out that it is not only the immediate school community who are linked to the group. Comments made on the group influence the reputation of the school and individuals.

Parents and visitors on school grounds
- All parents and visitors must sign in at the office, wear a visitors badge and sign out when leaving. This includes classroom helpers and volunteers. The only exception is when parents are only dropping their child/children off or picking them up at normal school start and end times.
- Parents who wait for morning assembly to finish before leaving the grounds are also exempt but are expected to observe respect and quiet listening on the assembly. Parents and Carers are not to enter the school grounds prior to 8:30am for school drop off or 2:45pm for school pick up. Parents arriving before these times will be required to sign in and out of the school as a visitor.

We hope that our parents continue to be respectful of the protocols and enjoy many happy occasions at the school with their children.

**School Attendance:**

Daily attendance is important and parents are requested, where possible, to make appointments outside school hours. If your child is away, a note is required. It is important that children arrive before 8:55am each day as they will miss vital information and the beginning of the day if they are not here on time. Early leaving also requires a justifiable explanation. Regular roll checks will be made by both the Principal and Home School Liaison Officer to ensure that all students maintain an acceptable attendance pattern. **Please note that family holidays are no longer exempt from attendance and absences will be recorded on student records.**

**KINDERGARTEN ENROLMENTS – 2016**

The time has come for planning the intake of Kindergarten Enrolments for 2016. To be eligible next year, children must meet the condition of attaining their 5th birthday, on or before the 31st July 2016. Students enrolling at Windang Public School will need to be in the school’s feeder area. NB: The boundary is indicated (North) by Oasis Resort and (South) by the northern side of Windang bridge.

**If you consider that your child will be eligible for admission next year, it would be appreciated if you could complete the enrolment form and return it to the Administration Office**

**PROTECTING OUR KIDS**

Teach your child about their Early Warning Signs. They are the body signals that we get when we feel unsafe, and can be any of a number of things such as sweating, feeling hot, faster heat beat, clammy hands, shaky knees, the need to go to the toilet quickly, and so on. Child protection needs to be a priority for everyone! Kids Helpline 1800 55 1800 Crime Stoppers 1800 333 000

**JUST A FEW REMINDERS**

**Kids, social media and privacy**

Regardless of your child’s age, the world may already know a lot more about them than you suspect. According to recent research:

- 92% of children under the age of 2 have a digital shadow (it starts with proud parents posting newborn baby photos on Facebook or Instagram)
- a quarter of Australian children 8 - 12 years old use Facebook, but the minimum age for a user is 13 years.
- more than 20 per cent of tweens publish photos of themselves on Instagram
- young people 14 - 19 have an average of 453 fans, friends or followers on social media.
