Many thanks to the P&C members who organised and ran the School Disco. The food was really enjoyed by the students! The music was wonderful and the dancing was so much fun! Thanks parents for being on time to collect students. Thanks to the staff for making it a fun evening!

How lucky are the students of Windang PS to have such an amazing group of people supporting them!

Tomorrow will be Mrs Fleming's last day in the office for 2015. Together with her husband Bill, she is off to explore this wonderful country we live in. We thank her for her hard work throughout the year and wish her safe travels on her big adventure!
Mrs Fleming will return to us later in 2016!

Staff are currently researching 21st century classrooms and learning spaces. To support student learning, we are beginning an update of classroom furniture. This will be a lengthy process and will combine a mix of standard furniture supplied by the Department of Education and furniture purchased by the school. Hopefully our first classroom of new furniture will arrive for the beginning of Term 4.

This afternoon students from Years 3-6 were involved in a workshop led by local police, specifically around being Cyber Safe.
It is a timely reminder for parents, to monitor internet use over school holidays to ensure you are aware of everything your child is doing online.

This also supports our school values…. Being responsible and Being Safe!

Parent / Teacher interviews are happening this week.

Thanks to the many parents who have already booked times with teachers. This is a great opportunity for you to learn more about your child and to share important information with class teachers.
If you haven’t book a time yet….please phone the office!

Thanks to class teachers for allowing this to happen after school.

Attendance
Attending school regularly helps children feel better about school and themselves. Start building this habit in Kindergarten so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, university, and at work.

Please remember if your child is sick please phone the office or send a note.
Attention ~ Mums and Dads

It's time!

Please let the office know if you have a child ready for school in 2016.
Kindergarten Orientation will be next term…. We don’t want anyone to miss out

Year 6
Students who paid the full cost of $33 for their Year 6 school shirt will be refunded $8 today.

Junior Dance Development Program

5-12 YEARS | TERM 4 2015

The Shellharbour City Physie and Dance program 2015 is a 9-week course for new students. Classes explore overall coordination, expression, social interaction and musicality, combined with a focus on retaining choreography.

Girls aged 5-12 years are invited to join us each Thursday in Term 4 to pile and pop their afternoon away! You will be mentored by experienced and friendly teachers who will work with students to explore jazz, modern, contemporary and lyrical styles. Students will have an opportunity to display their work at the 2015 Shellharbour City Physie and Dance Showcase.

Mini Groovers (5-8 years approx.) 4.30-5.15pm | Junior (9-12 years approx.) 5.15-6.00pm

Places are limited so enrol today to secure your place. Total cost is $65 for 9 weeks.
